

Homework 8th January 2026

The story of money

Your homework task for the next two weeks is to explore the fascinating world of money.

RESEARCH

Start by considering these questions:

- What is money?
- Why do we have it?
- What does it look like?
- What has changed in the last 50 years?

Find out about:

- The **history of money** (Where did it begin?)
- The **start of international trade** (How did people trade across countries?)
- **Modern money** (What do we use today?)
- **World money** (What currencies are used around the globe?)

Tip: You don't need to become an expert in everything—just learn something interesting about each area.

CREATE

Choose one way to share what you've learnt. This could be:

- A **multimedia presentation** (slides, video, or digital poster)
- An **information sheet** or leaflet

REFLECT

Finish this sentence:

"One interesting thing I have learnt is..."

We will be sharing what we have discovered during our PSHE lessons in class.

Homework Due: Wednesday 21st January
