6th March 2026

World Maths Day 25th March 2026

Dear Parents / Guardians,

We are excited to announce that our school will be celebrating World Maths Day on Wednesday 25th March 2026.

On this day, children are invited to come to school dressed as a “Mathematician Rockstar.” This could be inspired by their favourite Times Tables Rock Star, or simply their own fun interpretation of a mathematician rockstar. Costumes could include items such as rockstar outfits with numbers, number-themed clothing, or even famous mathematicians with a musical twist. Please remember that we encourage use of clothes you already have!

Throughout the day, children will take part in a range of exciting maths activities designed to show that maths can be creative, collaborative and fun. Activities will be adapted for each year group and linked to the “United by Numbers” theme.

The day will begin with a special whole-school assembly to launch the celebration, and pupils will work together throughout the day to explore how maths connects with creativity and problem solving.

Our aim is to help children see that maths is everywhere and can be enjoyed by everyone. We hope this will inspire confidence, curiosity and excitement about learning mathematics.

If you have any questions, please feel free to contact myself through the school office email.
Thank you for your continued support.

Kind regards,
Miss E Kelly
Assistant Headteacher
