16th March 2026

Dear Parents and Guardians,

We are delighted to inform you about a fantastic opportunity for your child to participate in the upcoming Masterclasses at Kimbolton School. Celebrating 21 years of success, these Masterclasses are free of charge and ideal for Year 5 children who are naturally curious and love to learn.

The programme includes sessions in Maths, English & History and Science, taking place on Saturday mornings over **six** weeks during the Summer Term 2026. These sessions are highly interactive, explore topics beyond the National Curriculum, and allow children to engage with peers from a variety of schools.

Many participants find that the Masterclasses boost their confidence and provide excellent preparation for their transition to secondary school.

Please find the booking link below alongside booking instructions for the new booking system.
