Dear parents,

At Great Staughton Primary Academy, we are committed to providing high-quality Personal, Social, Health and Economic (PSHE) education that supports your child's development and wellbeing throughout their time with us.

In line with the DFE's updated statutory guidance for Relationships, Sex and Health Education, we are currently reviewing our PSHE curriculum. This is a positive opportunity to bring our curriculum content up to date in an ever-changing world, whilst maintaining our age-appropriate focus on the knowledge and skills children need to navigate different areas of their lives with confidence, now and beyond primary school.

At Great Staughton Primary Academy, we use the Cambridgeshire Primary Personal Development Programme as our comprehensive scheme of work. The programme covers areas such as: Making Relationships, Health & Self-Care, Healthy Lifestyles, Growing & Changing & Sex & Relationships. Each unit of work builds progressively for children and aims to build self-esteem, resilience, emotional literacy and confidence.

As part of our review process, we would like to invite you to attend a session in school on Wednesday 16th September at 3.30pm where you will be able to peruse the PSHE curriculum and see the topics due to be taught this year. We will also provide some books that will be used as teaching resources. This will help you to understand how we adapt the content to meet the needs of our school community and understand how we meet statutory requirements for RSHE.

We believe the PSHE and RSHE is most effective when schools and families work together. Your child's safety and personal development are at the heart of everything we do and we value your input as we ensure that our curriculum continues to meet the needs of every child.

We appreciate that this meeting will not be convenient for everybody. We are holding a similar session at Kimbolton Primary Academy on Thursday next week if that is more convenient and we will also share the information online.

Please do not hesitate to contact us should you have any questions. We look forward to seeing you at the meeting.

Yours sincerely,
